

Winner: Richard Lyons

Richard was nominated by a member of the management team as follows.

"Richard has once again been the mainstay for organising the SES Charity Day held in aid of under privileged children and their families in Harlow.

This year the event was held on 22nd December at the Leisure Zone in Harlow. Over 750 children were invited, and the vast majority attended with their families. This event continues to grow year on year and 2023 was by far the largest to date.

The time, effort and care Richard takes in organising and arranging the many different aspects of the event is extraordinary. The highlight continues to be Santa's Grotto and his Sleigh, which is then graced by the presence of Richard as the big fella, acknowledging he has some Santa Helpers this year!

So many happy faces on view thanks to the overall team effort but our Santa was leading and ensured a good time was had by all. It cannot be emphasised enough that the event wouldn't happen without Richards contribution.

Richard is highly commended for his initiative and hard work for the benefit of others.
